12B present perfect or past simple?

A Have you been to that new Italian restaurant? **12.8**
 B Yes, I have.
 A When did you go there?
 B I went last weekend.
 A Who did you go with?
 B I went with some people from work.

• We often use the **present perfect** to ask / tell somebody about a past action for the first time. We don't ask / say when the action happened.
 Have you been to that new Italian restaurant?

• Then we use the **past simple** to ask / talk about the details.
 When did you go there? I went last weekend!

• We use the past simple **NOT** the present perfect with when and past time expressions, e.g. yesterday, last week.
 When did you see the film? **NOT** When have you seen the film?
 I saw it last week. **NOT** I've seen it last week.

been or gone?

A Have you ever been to Italy? **12.9**
 B Yes, I've been to Rome three times.
 A My sister has gone to Italy to study Italian.

• **been** and **gone** have different meanings. **been** is the past participle of **be**, and **gone** is the past participle of **go**.

• In the present perfect we use **been** to (NOT **gone**) to say that somebody has visited a place.
 I've **been** to Rome three times.
 Have you **been** to the new Italian restaurant in George Street?

• We use **gone** to when somebody goes to a place and is still there.
 My parents have **gone** to the USA for their holidays. They're having a fantastic time.

• Compare:
 Nick has **been** to Paris. = He visited Paris and came back at some time in the past.
 Nick has **gone** to Paris. = He went to Paris and he is in Paris now.
